LifeStream's Fall Fest Returns!

The annual tradition of LifeStream's Fall Festival came to a screeching halt during covid and has been shut down since...until now! This year the fall festival held at Dunlapville began again. It included sessions of Bingo, vendors

Susan and Marlene had multiple

and lunch, which consisted of pulled pork sandwiches, baked beans, chips, cole slaw and carrot cake.

Vendors were a wealth of information...and goodies! Some of the loot for this year included insulated bags, thermometers and first aid kits. There were also drawings for door prizes. Marlene G and Wilma C. won fall mums in a rich

Cheryl is New Treasurer...

And one of this months STAR residents! Thanks Cheryl for accepting the role of treasurer of the Resident's Association. She has been keeping the snacks shelves and

refrigerator well stocked with old favorites and new items. Come to the next resident's meeting on Tuesday October 3rd to give your feedback regarding activities and

snack selections.

JB is A STAR Resident for October

An anonymous resident at Southview courts has been noticing the good deeds of JB! This person has noticed JB delivering packages and caring about the well-being of other residents. In the

past JB has donated meals for Trish and Jen to prepare for everyone. Thanks for the positivity you are spreading, JB!

We love this photo of JB being silly for the camera at a

Emergency Pull Cord Information

Every apartment here at SVC's has emergency cords, also known as call-for-aid systems, located in the bedroom and the bathroom. For safety reasons it is important that these cords are maintained properly.

The cords need to hang within 6 inches from the floor at all times. This is so that if someone has a fall and cannot stand up

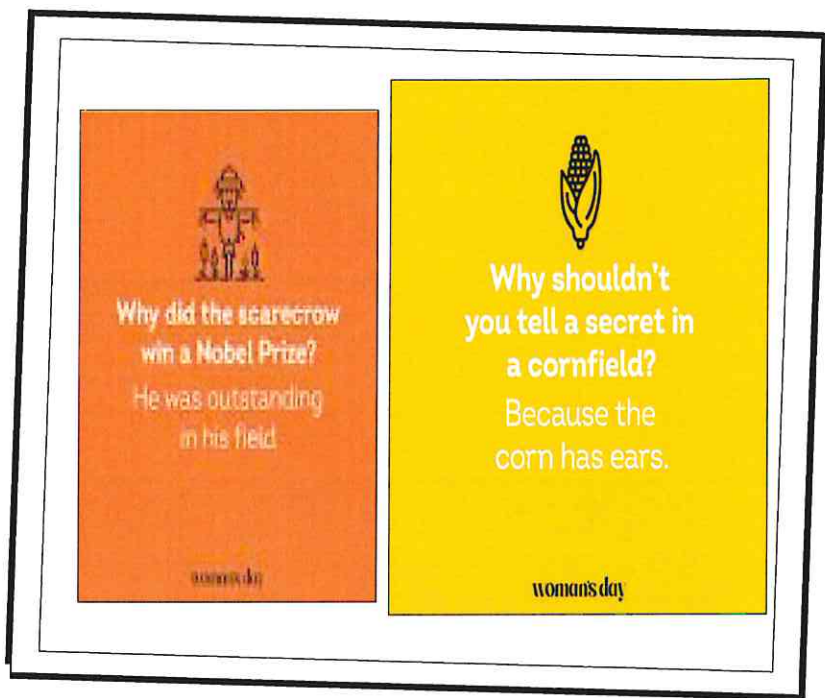

they are able to pull the cord. These cords should NEVER be cut, wrapped around the box or hung up.

Pulling the cord sounds alarms through the hallways of the building that others can hear. There is a light above each door that will flash above the apartment of the person who has sounded the alarm. If staff is here we imme-

diately go check on the resident. When staff is not here it's important for residents to call 911 if you are unable to make contact with the person inside to ensure their safety. There have been incidents in the past where residents have done a wonderful job helping call the police and aiding them in finding the correct apartment.
